

# Silicon Sweat Stopper

Sweat stopper aims to protect your eyes & face from running sweat onto forehead. Due to its innovative shape, running sweat is guided to back side of ears instead of attacking eyes

## Innovation & Creative Design

-  Never saturates-no more soggy sweatbands
-  Channels sweat away from eyes and glasses
-  Stays in place during any activities
-  Works great under the helmets and with any headwear
-  Looks great during and after exercise
-  Light-weight, One-size-fits-all
-  Easy care-just rinse with fresh water

100% Non-toxic silicon
